Register At Canal Point School On Monday, Aug. 31

Children entering public school for the first time will register as first grade pupils at the Canal Point School Monday morning, Aug. 31, according to Principal Clyde Alley. Parents who bring their children for registration in the first grade must also bring their children's birth certificates.

Pupils of all other grades, second through the eighth, will register at the Canal Point School on the opening day Tuesday, Sept. 8, when the school busses will run on their regular schedule.

Principal Alley reports the teaching staff at the Canal Point School is complete except for the second grade teacher and it is hoped this position is filled by the time this issue of the News is printed. The Canal Point School faculty includes Mrs. Alma C. Burr, first grade; Mrs. Wilma Crawford, third grade; Mrs. Billie Huddle, fourth grade; Mrs. Helen Tealikis, fifth grade; Carl Crawford, sixth grade and athletic director; Clyde Alley, seventh grade and principal; Brooks Henderson, eighth grade. A group of teenage friends gathered at the home of Mr. and Mrs. Wendell Harris to enjoy a TV party with Mrs. Harris's son, Jack Stanley, who was a visitor here from Lake Kerr, Fla., the past week. Refreshments of cookies, cold drinks and ice cream were served.

Jack, who was a student at Pahokee High School before moving to Lake Kerr, with his grandparents, Mr. and Mrs. H. J. Clause, this summer, will enroll as a sophomore in the Fort McCoy High School on Aug. 31.

McCarty Favors Idea Of Chicago Miami Turnpike

TALLAHASSEE — Gov. Dan McCarty said Wednesday he's interested in joining any conference of governors on a proposed Chicago-to-Miami turnpike.

He wrote Gov. Herman Talmadge of Georgia, chairman of the Southern Governors' Conference, he or a representative would be willing to attend the proposed meeting which he had read about in the papers.

Talmadge recently disclosed he had been invited by Kentucky Gov. Lawrence Wetherby to attend such a conference Sept. 27-28 at Kenlake, Ky.

McCarty cited the Florida Legislature's action in authorizing construction of a 110-mile Southern end of a proposed turnpike from Miami to the Georgia line and said "for this reason I am intensely interested in any action which may be taken by the governors who are concerned with the proposed interstate turnpike."

First Graders To Register In Pahokee Monday, Aug. 31

The registration of first grade pupils at the Pahokee Elementary School will take place Monday morning, Aug. 31, according to Principal Clyde A. Canipe, who again reminds parents they must bring birth certificates showing that the children they wish to register in the first grade are six years old or will be six before Jan. 1, 1954.

The registration of students in all other grades, second through the twelfth, will take place on the opening day Tuesday, Sept. 8, when school busses will run on their regular schedule. The school cafeteria will re-open on this date, again under the management of Mrs. Ralph Stanley.

2 Weeks Work By Blue Devils Will Be Ended Saturday

The Pahokee High School Blue Devil football squad will complete its two weeks of preliminary "hardening-up" training this weekend and is scheduled to don padded practice uniforms Tuesday, Sept. 1, for the more strenuous body-contact, scrimmage practice.

For the past two weeks Coach Webb Pell and his line coach, Bill Howard, have been working with between 20 and 30 candidates for the Blue Devil 1953 team under the lights at the city park every night, except Saturday and Sunday. Special exercises for the development of muscular tone and co-ordination, team work and timing have been stressed during these preliminary training sessions.

On Tuesday the location of the practice sessions will move from the city park to Lair Athletic Field on the school campus and practice will start in the afternoons at 4.

Pell says it's too early yet to tell much about this season's Blue Devil team, except the squad is light and again will not have much reserve strength to draw on. The Pahokee coach, however, is encouraged by the fact there are several boys in this year's squad who really like to play football and it is this type of player that gives a team fighting spirit and makes its plays click.

The Blue Devils will take part in the Glades Football Clinic sponsored by the Lions, the date to be announced, before they open their season in a home game with the Clewiston Tigers, Sept. 18.

CLASS REORGANIZED

The Adult Woman's class of the Canal Point Methodist Sunday School met at the home of Mrs. Frank Wilson to reorganize and elect as new officers Mrs. Leonard Maxson, president; Mrs. A. D. Enfinger, vice president; Mrs. James Miller, treasurer; Mrs. Clint Livingston, corresponding secretary, and Mrs. Angus Sims, recording secretary. The group voted to give its class the official name of Esther Sunday School Class.

South Bay Recall Election Will Be Held On Sept. 18

Sept. 18 has been set by the South Bay City Council as the date for a recall election to determine if Mayor F. W. Kelly shall be recalled.

Registration books will remain open at City Hall during office hours up to Sept. 5, at 12 noon. Candidates may qualify up to Sept. 2 at 12 noon.

Election boards in each of the two precincts were appointed. Election board for Precinct 1: Mrs. Gertrude B. Willits, clerk; Mrs. Madeline Roberts; Mrs. Nettie Barnes, inspectors; Mrs. Alice Lamoreux, alternate clerk; Mrs. Maunette Jeffries, alternate inspector. The City Hall will be the polling place for Precinct 1.

Election board for Precinct 2: Mary Savall, clerk; Mary Simmons, Curtis H. Edwards, inspectors; Bertha Jackson, alternate; polling place, Lake Theatre.

After hearing a number of city commissioners from Belle Glade and Pahokee explain the plan under which these cities and South Bay would share the management and expenses of developing Port Mayaca Cemetery, the commission voted to participate.

S. J. Fisher was named a trustee to represent the city on the proposed cemetery board. Trustees from the other two cities had previously been appointed. City Atty. Ralph O. Johnson, was directed to draw up a tentative set of bylaws for presentation at the first session of the three trustees.

Things Even Look Darker For The Vegetable Deal

GAINESVILLE — Everything looks brighter for the citrus grower than for the vegetable grower in 1953-54, says Florida Agricultural Outlook Committee.

The committee, 34 men representing various offices within state and federal agricultural agencies, said in its 12th annual forecast for Florida that the outlook is for a highly favorable inventory position "when the 1953-54 citrus crop comes in. The state produced some 110,500,000 boxes of citrus in 1952-53, the specialists said; but concentrate inventory stocks are 12 per cent under a year ago. The forecast for 1953-54 is 116,790,000 boxes.

The outlook committee, which annually has some recommendations for all farmers, saw little about which the truck farmers should cheer.

The experts would reduce plantings of lima beans, winter cabbage, celery, spring sweet corn; cucumbers, eggplant, escarole, endive, peppers, Irish potatoes, squash, tomatoes and watermelons. They would curtail cabbage by 3000 acres and spring sweet corn by the same. They would pare by 10,900 acres—down to 47,000 acres—the total tomato acreage for Fall, Winter and Spring.

Pahokee Faculty Complete For School Opening Sept. 8

An anonymous member of the Pahokee First Baptist Church has purchased from the Palm Beach County Board of Public Instruction a 66-passenger school bus retired from public service, the bus to be used by the church in youth work, such as the transporting of children at the labor supply camp to and from Sunday School, church services and meetings of the Baptist Training Union. The bus is being overhauled and repainted royal blue on the lower half and white on the upper half. It will have the name of the church lettered on the sides. Another member of the church has covered the bus with complete insurance.

DO YOU REMEMBER?

HAPPENINGS IN THE LAKE-OKEECHOBEE REGION

25 YEARS AGO

Drainage canals of Everglades district have been opened at the outlet ends and will be kept open. A. O. Kay of West Palm Beach, assistant engineer in control of spillways, told The Everglades News Saturday.

In the 1928-29 trucking season there will be the keenest competition between districts that has ever been known, for in many of the districts the acreage will be increased largely and under average conditions of yield and markets there will be a struggle to make sales. Only in districts most favorably situated will it be possible for growers to make money if the yields per acre are normal.

A picnic given by the Belle

Glade post of the American Legion yesterday at Port Mayaca was attended by a delegation from West Palm Beach that included the famous life and drum corps and members from Lake Worth and Delray as well as by ex-service men from the Glades towns. After a ball game between Everglades League teams, members and relatives and guests drove to St. Lucie canal and were met by a cruiser from the Brown Company farm and made a trip into Lake Okeechobee. Bathing and fishing were enjoyed until the lunches were served. After the picnic many of the party returned to Belle Glade and attended the Legion's regular weekly dance.

Mr. and Mrs. Charles H. Goolsby went to Fort Myers where she remained. Mr. Goolsby returned Monday.

S. J. Brown and family left this week for Atlanta, their old home. He farmed with Charles Tedder last season.

Mr. A. L. Pope is having built a house of a type that is described as a "California farm house." The Pope dwelling has been repainted and shrubbery set.

Jess Elliott, cashier of the Bank of Canal Point, who is laid up with a bad foot, was able to come out Tuesday from Lake Worth, where the foot is being treated.

A grandson in the Cox family was severely bitten by a rat two weeks ago. Miss Rabin, county welfare worker, had the child taken to the hospital Friday for treatment for infection. This should be a warning to parents on account of the unusual number of rats at this time.

Mr. and Mrs. Jack Barrett left the first of the week for Safety Harbor, where they will spend a week or more.

Baseball—East Beach won from Shawano in the first game yesterday, 5-4, but the second game of the double-header was left on a tie when the game was called on account of darkness. South Bay won both games of a double-header from Belle Glade. East Beach and South Gay thus are close together in the percentage of games won.

Superintendent R. Y. Patterson of the Southern Sugar Company telephoned from Canal Point to Clewiston Wednesday afternoon for the sea sled to come over, and in 40 minutes the boat entered the canal. Francis Cross, who runs the boat, said he has made the trip in as short a time as 34 minutes.

Mrs. Jones and little son Claude have recovered from the injuries received in the automobile accident.

The Kaltenbrunners are at Henderson, N. C., waiting for the roads to be repaired so they can return to Pahokee.

Mr. Shive and his daughter and son, Mr. and Mrs. Dan Carpenter, and daughter, Mrs. Duncan Padgett, went to West Palm Beach Monday.

Mr. and Mrs. James Maxwell expect to move back into their home this week, Mrs. Maxwell has al-

most recovered from her injuries received in the storm that wrecked her home.

In honor of her guest, Miss Gertrude Willoughby of Gainesville, Miss Margaret York entertained at a bridge and rook party at her home Friday afternoon, August 17. High score awards, dainty shoulder puffs, went to Misses Lorraine Elliott and Gladys Dowda. To the honoree, the hostess presented a box of bath powder. Those present included: Misses Nell Gray, Sarah Hanson, Lorraine Elliott, Gladys Dowda and Joyce Doyle.

The many friends of Hazel Thornton and Alton Morris will be glad to hear that they expect to be married September.

Cinematic Chatter

By Malcolm Millar

Hello everybody! Here are some interesting highlights on some of the stars who will be seen locally in the delightful musical comedy "She's Back on Broadway." Virginia Mayo, principal feminine

star, was born Virginia Jones in St. Louis, Mo. She went to an Aunt's dramatic school and once played an elf. At 16 she joined a vaudeville act and took the stars name of Mayo. The act got into Eddie Cantor's Broadway show, "Banjo Eyes." Billie Rose took her from the show to his Diamond Horseshoe night club. Samuel Goldwyn saw the show there and gave her a Hollywood contract. Gene Nelson was born in my home town, Seattle, Washington. He majored in athletics and dramatics at school. He made the Sonja Henie ice show and toured the country with it until the Army called. Had featured role in Irving Berlin's "This Is The Army." Discharged he landed an important assignment in "Lend Me An Ear" on Broadway. From there Warner Brothers signed him and you know the rest. Frank Lovejoy was born in New York City and turned to acting at an early age. First major role came in Emma Rice's "Judgment Day" in 1934. Subsequently entered radio and became top flight performer in such shows as "Gang Busters," "Mr. District Attorney," "The Kate Smith Hour"

and "Night Beat." Returned to Broadway in "Sound of Hunting" where he was discovered for films by Stanley Kramer who starred him in "Home Of The Brave." See you at the movies—Mal.

Short Citrus Crop Brings Good Prices

LAKELAND—The Florida citrus grower, with a short crop and high peak of demand is in the unique and profitable position of producing a product where demand is outstripping the supply, according to Bob Rutledge, general manager of Florida Citrus Mutual.

Rutledge said that it is Mutual's belief that the low inventory on hand among Florida processors and concentrators will have a profound effect on the demand side of the picture and mean more money for citrus next season.

Inventory figures compiled by the Florida Cannery Association bear this out even more graphically, Rutledge said.

Displays or the children's work in the vacation school was a feature of the closing day exercises.

The vacation school at the Pahokee First Baptist Church came to a close Wednesday evening when commencement exercises were held at 7:30.

An open house will be held at the Canal Point Methodist Church marking the close of its vacation school this Friday morning from 11 a. m. to 12 noon. The children will have on display some of their school work.

The school at the Pahokee First Methodist Church ends at 6:30 p. m. this Friday, Aug. 28, when there will be a "Showing Hour for Parents" in which the school work will be on display and the children of the various departments will present programs.

Closing exercises for vacation schools are also being held at the Canal Point Baptist Church and the Church of God on Barfield Highway this week.

The program at the Canal Point

Towns Join Plan Operate Cemetery

The cities of Pahokee, Belle Glade and South Bay have signed a mutual agreement to form a Cemetery Commission for the joint operation of the Port Mayaca Cemetery.

The agreement calls for a per capita assessment from each city to raise funds for the maintenance, beautification and expansion of the burial grounds and the commission is to set up an annual operating budget subject to the approval of each city.

Councilman Louis F. Mims was appointed to represent Pahokee on the commission. Walter Ashley was named to represent Belle Glade and S. J. Fisher, South Bay. This group will elect officers and adopt a constitution and by-laws.

The Port Mayaca Cemetery is located in the sandland approximately a mile east of Port Mayaca near the St. Lucie Canal. Although it serves as burial grounds for residents of the entire Glades area from Lake Harbor to Canal Point, the city of Pahokee has been completely in charge of its operation since its establishment in the Twenties.

The movement to get Belle Glade and South Bay to join Pahokee in the joint operation of the cemetery was started a few years ago. When Mims was elected to the Pahokee Council last May he, assisted by Councilmen Dick Parish and Loren Meredith, got behind this movement and gave it the impetus necessary to make the joint operation a reality.
